## OBSERVACIONES

1 La calificación numérica de ámbito (**N**) se expresará del 0 al 10, sin decimales. En los casos de no presentación al examen se consignará (**NP**), cuando se haya efectuado inscripción en el ámbito. Si no se ha efectuado la inscripción en el ámbito se consignará (**NI**)

2 La calificación cualitativa de ámbito (**C**) se expresará con Insuficiente (**IN**), menos de 5 puntos, Suficiente (**SU**), 5 puntos; Bien (**BI**), 6 puntos; Notable (**NT**), 7 u 8 puntos, Sobresaliente (**SB**), 9 ó 10 puntos, o con No Califica (**NC**) cuando la casilla de calificación numérica tenga (**NP**) o (**NI**).

3 La calificación global numérica de la prueba libre se obtendrá calculando la media aritmética de la calificación obtenida en cada uno de los ámbitos y se expresará del 0 al 10, redondeada a la centésima más próxima y, en caso de equidistancia, a la superior. La nota media se obtendrá únicamente cuando se hayan superado los tres ámbitos. En caso contrario, se anulará la casilla con rayas (---).
